IN THIS OUR 33RD YEAR OF THE SUMMIT and on behalf of Marc H. Morial, President and CEO of the National Urban League and Judson W. Robinson III, President and CEO of the Houston Area Urban League—we're so happy you're here with us in Texas! Please take advantage of all this week has to offer you as it promises to be an especially unique opportunity for our *Project Ready* students from across the Urban League Movement to unite, be enlightened, feel encouraged, and ultimately, to move forward knowing that you certainly GOT NEXT and are most definitely ON THE RISE!

A CENTURY OF SERVICE & LEADERSHIP

The National Urban League is a historic civil rights and urban advocacy organization dedicated to economic empowerment in order to elevate the standard of living in historically underserved urban communities. Founded in 1910 and headquartered in New York City, the National Urban League spearheads the efforts of its local affiliates through the development of programs, public policy research, and advocacy. Today, the National Urban League has 92 affiliates serving 300 communities in 36 states and the District of Columbia providing direct services that impact and improve the lives of more than two million people annually across the nation.
